

Mudassar Khan

About Me

Mudassar Khan is a consultant and developer. If you need to get your projects executed by him click [here](#) to contact.

I am the founder of this site, and also work as an Independent Consultant.

I completed my graduation from Mumbai University with Bachelor's Degree in Computer Engineering.

I am active member on the ASP.Net [forums](#) with "All Star" level ranking. Click [here](#) to view my profile.

I also wrote articles on [SQLServerCentral](#) and [ASPAlliance](#) as a guest columnist. I started this site to answer all the questions that are most frequently asked on the asp.net forums.

I was awarded **Most Valuable Professional Award (MVP - ASP.Net/IIS) 2009 - 2013** and **Microsoft Community Contributor (MCC) 2011** by Microsoft.
